## Alternative fuel vehicle payoffs

Owners of alternative fuel vehicles are eligible for incentives that include:

\* The Utah Clean Fuels Grant Program provides grants worth up to 50 percent of the cost of converting a vehicle to run on a clean fuel (\$2,500 maximum) and/or up to 50 percent of the incremental cost of buying an alternative fuel vehicle (\$3,000 maximum). Any state tax credit claimed is subtracted from the grant amount. Information: 538-5413 or 800-662-3633, <http://www.energy.utah.gov/altfuels>.

\* A 50 percent state tax credit (\$3,000 maximum) is available for the purchase of or conversion to a clean-fuel vehicle. Information: 536-4071.

\* A \$2,500 per vehicle credit against commercial ground transportation fees is available from the Salt Lake City Department of Airports for ground transportation fleets. Information: 575-2396.
